

State Farm Insurance – Agent/Owner Operator

WHO DO YOU KNOW?

We know that successful people know other successful people. At **State Farm**, we are seeking the best and brightest to become our agents of the future. We are seeking people with strong integrity, leadership & sales ability, strong work ethic, proven track records, and entrepreneurial spirit.

State Farm is the number one insurer of automobiles and homes in the United States and our vision is to also become the leader in the financial services market as well. For someone who has dreamed of owning and operating their own business, helping people, and being a trusted member of the community; we have perhaps the best small business ownership opportunity available today which includes:

- Opportunities to help people with their banking & financial services needs**
- High income potential**
- Brand recognition as a trusted leader in your community**
- Worldwide travel opportunities**
- Awards for proven support of State Farm's vision and goals**
- Pride in representing the established and respected State Farm brand**
- Opportunities to inspire, motivate and develop your agency team**
- Affiliation with a company committed to community**
- 9 months paid training (full salary, benefits, and licensing)**
- \$18,000.00 start up allowance following training**
- Assignment of book of business (State Farm clients)**
- Immediate revenue on assigned policies**

We know that this opportunity will not be right for everyone. But you might know of someone that could benefit from this career as well as impact your community positively.

If you or someone you know would like more information, please contact me at the number listed below.

Thank you!
